

GETAGRIP®

POWDER FREE NITRILE EXAM GLOVES WITH DIAMOND GRIP

797 Series-A Single-Use, 2-Tone Versatile Glove with Superior Strength and Stretch

Made using a special formulated nitrile compound, these gloves have a High Degree of Force of Break. The Diamond Pattern Provides an Ultimate Grip in dry and wet environments and the green interior lets you know when the glove has been compromised. These gloves have been deemed safe and effective by the FDA for protection against Fentanyl, Heroin and Gastric Acid up to 240 minutes.
